BUYER'S GUIDE 01/2016

# 2016

## BUYER'S GUIDE

The 2016 PFI Buyer's Guide that you now hold illustrates our commitment to providing you with the most complete product line in the automotive bearing aftermarket. It contains 133 new parts, and updated application and interchange data.

We are also proud to announce we have obtained TSE Quality Certification for excellence in ball bearing manufacturing.

In the information technology field, our website [www.pfibearings.com](http://www.pfibearings.com) is now configured to be viewed on handheld devices. Our eCatalogue, which is accessible through our website, is updated daily to provide current information regarding all our products.

Finally, we have moved to a larger global distribution center, and acquired sophisticated semi-automatic picking equipment. This investment in distribution efficiency will benefit you, our customers, by improving the fill rate and processing speed of all orders.
